

PE & Sport

PE & Sport within the curriculum is distinct from that on our extensive sports fields outside lesson time.

From Year 7, in addition to a PE period, there is a games afternoon and regular fixtures, with many opportunities in rugby, football, hockey, swimming, cricket skills and tennis. Our sports grounds at Failand were redeveloped in 2018-19 and now feature a 3G rugby/football pitch, sand dressed hockey/pitch/tennis courts and tarmac tennis/netball courts.

We offer popular A-level and GCSE courses which include: anatomy, physiology, history, psychology and cultural aspects of sport.
